Journal - Office of Legislative Counsel
Friday - 3 September 1965

25X1 4. [] - GLC) Met with Representative Sam J. Gibbons and alerted him to our interest in several aspects of the proposed amendments to the Federal Employees Compensation Act and mentioned to him my conversation with Representative Dale. Mr. Gibbons appeared to be sympathetic particularly to the need for increasing the maximum dollar limitation. Mr. Gibbons is acquainted with Representative William Harkaway (sponsor of the Administration bill) and said he considered him to be a "reasonable fellow." I emphasized to Mr. Gibbons that I was not asking him to do anything but was merely alerting him to this. I pointed out to Mr. Gibbons the sensitivity of our position regarding these amendments.

25X1 5. [] - GLC) Met with Mrs. Diana Watkins, Personal Secretary to Representative William H. Bates, and, in the Congressman's absence, explained to her our interest in the proposed amendments to the Federal Employees Compensation Act. It is hoped that we will be able to reach Mr. Bates on Tuesday.

25X1 6. [] - GLC) By way of follow up to the Director's conversation with Senator Thomas J. Dodd, I contacted the Senator's office and learned that he had left for the holiday weekend. He will attempt to see the Senator on Tuesday.
